

RESULTS OF VOTES

Use this table to keep track of voting results during the event

SESSION	Yes 	No 	Abstention 
Challenge 1 - Internationalisation			
1. Is the EU Single Market sufficiently integrated, allowing your company to operate and compete freely?	100 15.7%	536 84.3%	32
2. Should free trade negotiations also include social, environmental and ethical standards to ensure a level playing field?	499 80.6%	120 19.4%	57
3. Should the EU develop a stronger European Economic Diplomacy, advocating and defending our common economic interests on global markets?	641 94.7%	36 5.3%	16
4. Should the EU protect its industry more strongly against trade distortions/unfair competition, e.g. with tougher trade defence rules?	535 84.8%	96 15.2%	46
5. Do you believe a free trade agreement with the US (TTIP) could benefit EU companies?	487 80.8%	116 19.2%	81
Challenge 2 - Skills			
1. Should member states undertake reforms necessary to ensure a strong provision of work-based learning?	550 99.1%	5 0.9%	3
2. Should the EU create a pan-European mobility programme for job-seekers in order to fight youth unemployment?	508 92.7%	40 7.3%	10
3. Should more be done at EU level to strengthen the provision of apprenticeship schemes across the member states?	518 94.5%	30 5.5%	10
4. Should the EU encourage a better balance between academic and vocational education?	533 97.3%	15 2.7%	10

SESSION	Yes 	No 	Abstention 
Challenge 3 - Finance			
1. Do you believe that national governments do enough to fix the problem of late payments between public bodies and business?	77 14.6%	452 85.4%	29
2. Should member states commit to a common EU SME guarantee instrument?	375 72.5%	142 27.5%	39
3. Do you believe that access to finance has become more difficult due to increased regulatory costs for the banking sector?	373 74.7%	126 25.3%	67
4. Should tax regimes be more equity investment friendly?	507 94.9%	27 5.1%	30
5. Does a lack of quantification of intangible assets hinder innovative businesses' competitiveness and access to credit?	339 72.6%	128 27.4%	93
Challenge 4 - Energy			
1. Should the EU only pursue ambitious climate change mitigation policies if other major international economies make comparable commitments?	298 66.2%	152 33.8%	35
2. Do you believe that the competitiveness of energy- and emission-intensive industries is sufficiently addressed in EU energy and climate policies?	106 24.7%	324 75.3%	61
3. Should the internal market for energy be completed as soon as possible?	470 94.4%	28 5.6%	24
4. Should the EU and member states devise a more cost-effective strategy for the uptake of renewable energy?	478 97.3%	13 2.7%	27
5. Should the EU and member states devise a more flexible and innovation-based approach to increase energy efficiency?	513 98.1%	10 1.9%	9
